DEPARTMENT OF EDUCATION

Instructions to Inspectors.

Revised 1913

APPORTIONMENT OF THE LEGISLATIVE GRANT TO RURAL PUBLIC AND SEPARATE SCHOOLS IN THE ORGANIZED COUNTIES OF ONTARIO FOR THE CALENDAR YEAR 1913.

Under the Department of Education Act of 1909 as amended in 1910, the Legislative Grants to the Rural Public and Separate Schools in the organized Counties of Ontario will first be divided by the Department of Education between these Schools, on the basis of average attendance, and will then be apportioned amongst said Rural Public and Separate Schools respectively, on the report of the Inspectors, in accordance with the following regulations:

General Instructions.

On receipt of this circular, the Public and Separate School Inspectors shall procure from School Boards and County and Township Clerks the data necessary to fill in the official returns on which the ensuing apportionment of the Grant will be made by the Department of Education and the forms for which will be sent to each Inspector. All such data as above shall be certified by the official concerned. The Inspector shall see that they are properly made out and shall retain them for at least one year as the authority for his official report. The Public Schools Act provides that the Legislative grants for the calendar year shall be payable by the Minister of Education on or before the 1st day of August. It will, accordingly, be necessary for the Inspector to act as expeditiously as possible in procuring the information he may need, so that he may make his report to the Department of Education *not later than June 22nd.*

Assessments and Sections.

(1) The average section assessment of the township hereinafter referred to is the quotient obtained by dividing by the number of school sections in the township, the total assessed value of the township as fixed by the last made county equalization.

(2) For the above computation:—

(*a*) The lands of the supporters of each Separate School shall be counted as a section in forming the divisor.

(*b*) A union section shall be counted as belonging to the township in which the school building is situated, and the assessed value of the portion of the other township or townships completing said union section shall be added to the dividend (see Public Schools Act of 1909, section 79).

(*c*) When there are two schools in a section, the section shall be counted as two sections in forming the divisor.

SCHEME OF APPORTIONMENT.

The total yearly apportionment to each school, *not including Continuation Schools,** shall be the sum of the grants to which it is entitled under the following regulations:

I. Fixed Grants.

Where the average section assessment of the township, as defined above, is less than $30,000.00, each school shall receive a fixed grant of $30.00; where it is at least $30,000.00 and less than $40,000.00, the fixed grant shall be $25.00; and where it is at least $40,000.00 and less than $50,000.00, it shall be $20.00. Where it is $50,000.00 or more there shall be no fixed grant.

II. Grants on Salaries.

(1) Each school shall receive 40 per cent. of the amounts paid in teachers' salaries each school year (beginning in August and ending in June) up to maximum of $600.00 salary in the case of each teacher, the computation beginning as follows:

(*a*) At $150.00 for a principal teacher and at $100.00 for each assistant teacher where the average section assessment, as defined above, of the township where the school is situated is less than $30,000.00;

(*b*) At $200.00 for a principal and at $150.00 for each assistant where said assessment is at least $30,000.00 and less than $40,000.00;

(*c*) At $250.00 for a principal and at $150.00 for each assistant where said assessment is at least $40,000.00 and less than $60,000.00;

(*d*) At $350.00 for a principal and at $250.00 for each assistant in the case of all other assessments.

(2) Where the teacher performs all the duties of caretaker the Inspector shall deduct from the amount paid him for his services as teacher and caretaker a sum not exceeding $25.00 in any one case, and where he performs part of the duties a proportionate amount of $25.00.

---

* *Note.*—The name "Continuation School" is applied, not to the whole public or separate school, but to the particular division or divisions thereof in which Continuation School Work is taught.

III. Grants on the Teachers' Qualification.

The following grants shall be paid on the basis of the grade of the teacher's professional certificate and the length of his successful experience, *the competency of each such teacher being duly attested by the County or Provincial Inspector, as the case may be, of the school for which such grant is claimed.* For teachers employed for the whole academic year the full grant shall be paid in each case, and the grant shall be one-half the amount if the teacher with the certificate has taught for less than a year, but for at least one term.

(1) If the teacher's total experience in the schools of the Province of Ontario shall have been at least five years on July the first next,

(*a*) For a First Class Certificate $40

(*b*) For a Second Class Certificate 25

(2) If said experience shall have been less than five years on the same date,

(*a*) For a Permanent First Class Certificate $30

(*b*) For a Permanent Second Class Certificate 15

Note A.—In conformity with the previously announced policy of the Department of Education, the grants heretofore paid on Interim First and Second Class Certificates are withdrawn, the lowest grade of certificate upon which a grant is allowed being now Permanent Second Class.

Note B.—Schools which have been in operation for less than the whole academic year, but for at least one term, are to receive a proportionate amount of the grants provided for in I., II. and III. above.

IV. Pro Rata Reduction.

If the amount voted by the Legislature is insufficient to pay in full the grants provided for in I., II. and III. above, the Minister may make a pro rata reduction.

V. Grants on Equipment and Accommodations.

By section 90 (1) of the Public Schools Act of 1909 each County Council must raise the equivalent of the amount of the Legislative grant apportioned to the County for equipment and the accommodations.

(1) The sum of $60,000, which is included in the amount voted for Rural Public and Separate Schools in the Counties, is apportioned by the Minister as follows:

The total amount apportioned is divided by the total number of teachers in the Rural Public and Separate Schools, not including the teachers of Continuation Schools; and the quotient thus obtained, multiplied by the number of teachers in each inspectorate, gives the Legislative grant payable for the inspectorate.

For this computation each Principal is reckoned as a unit and each assistant as a half if the school has been open for the whole school year; but each Principal shall be reckoned as a half and each assistant as a

quarter if the school or the assitant's class, as the case may be, has been open for less than a year but not less than half a year.

(2) The grant to each Inspectorate shall be sub-apportioned by the Inspector in accordance with the instructions of Circular No. 33, 1910, as to the grading of the accommodations; and the items of the equipment provided in each school in accordance with said circular, shall be those on the value of which he will reckon the percentage. The special equipment for Continuation Schools or Fifth Forms shall not be included.

(3) Out of the combined Legislative and County grants, each school shall receive 10 per cent. of the approved value of the equipment up to a maximum grant of $20.00 for each Principal and of $2.50 additional for each assistant.

(4) Out of the combined Legislative and County grants, each school shall receive a grant on the character of its accommodations, the maximum being $30.00 for a one-teacher school, $45.00 for a two-teacher school, and $60.00 for a school with more than two teachers, in accordance with the following scheme:

(5) When a Union School Section is composed of portions of townships in different counties, the grant to its school from each county shall, as far as practicable, be that fraction of the Legislative grant payable to said school which the assessed value of the portion of the section within the county is of the whole assessed value of the section, according to the equalization made by the assessors, as provided in section 29 of the Public Schools Act of 1909.

(6) When the amount of the Legislative and County grants is insufficient to provide for each school the sums required under the foregoing regulations, the Inspector shall make a *pro rata* deduction from the total grant to each school; and where there is a balance over after making the

provision for each school as required by the said regulations, he shall make a *pro rata* addition to the total grant to each school.

(7) (*a*) *In order that the County Council may be duly notified before its June meeting of the amount it must raise as the equivalent of the Legislative grant on equipment and accommodations, each Inspector shall notify the Minister not later than May 9th of the number of teachers in his Inspectorate reckoned as in* (1) *above.*

(*b*) *When the Inspector has rural Schools in different counties he shall make a separate return for each county.*

VI. Time of Payment of the Grants.

The Department of Education Act provides for the payment of the Legislative grant to the counties concerned before August 1st. Said grants shall be forthwith payable to the respective Boards of Rural Public and Separate School Trustees, except the grant on the equipment and the accommodations which, with the equivalent County grant, shall be payable as the Inspector may arrange, but not later than December 1st. If said grants on equipment and accommodations are payable to the Township Treasurer, the Inspector shall notify the County Treasurer of the amount due the Township Treasurer on this account.

VII. Grants to Assisted Schools.

The grant to Assisted Schools will be apportioned to the Public and Separate Schools respectively on the report of the Inspector, who shall supply, in a form to be obtained from the Minister, the details necessary to enable him to form a proper judgment as to the merits of each application.

VIII. Special Grant for Rural School Libraries.

(1) The special grant in aid of Rural School Libraries will be apportioned amongst the Rural Public and Separate Schools respectively of the whole Province, not including Continuation Schools or Fifth Classes as an additional percentage on the value of all library books purchased between October 1st, 1912, and October 1st, 1913, provided no school receives more than $10.00, and provided no purchase is less than $10.00. *The books shall also have been approved by the Inspector as especially suitable for the pupils' use.*

(2) All applications for this grant must be made by the Trustees through the Inspector, on or before the 15th day of October. The Trustees shall supply the Inspector with all the information he may require in regard to the purchase of the books, including vouchers from the booksellers.

(3) The Inspector shall make application to the Department of Education on a form to be provided, which must be forwarded to the Department of Education not later than the first day of November.
